#2 (Regina)

APRIL 17-21st, 2024

Please read over carefully

Arrival: Upon arriving at the competition head downstairs to the dressing room, find members of your class and wait in the dressing room, your teacher may be busy with another class currently on the stage, so please stay in the dressing room and wait with your class.

Commitment to Group: We expect everyone that committed to attend by returning their fee will be at the competition. Your teacher must be advised if you are now unable to attend so that changes may be made to the routine in class, not in the dressing room! Entry fees cannot be refunded.

Admission Charge: There will be an admission charge for anyone to watch the competition and competitors may not be able to watch if the auditorium is full unless they have paid an admission fee.

Dressing Rooms: Dance Moms will be allowed to bring their dancer to the dressing room, get them settled and then head to the audience. We suggest that younger dancers arrive ready to perform. Dressing room space is often limited especially during group performances.

ALL COMPETITORS MUST WAIT IN THE DRESSING ROOM with their group UNTIL AFTER THEIR GROUP HAS DANCED ON THE STAGE.

Dance Dads will only be allowed in the boys dressing room, there are dancers of all ages changing in the main dressing rooms, so moms only. Thank-you

Solo/Duos/Trios: MUST REPORT in to the backstage and dressing room personnel to advise them that you are there. You must arrive, make-up done and in costume at your **ready time**, so you have time to stretch and rehearse before you line up. They WILL NOT wait for anyone that is not ready to perform when their time comes to compete on stage

Schedule: listed below is the entire schedule for the above competition.

- Please locate your child's class.
- You must arrive, make-up done and in costume at your **ready time**.
- The competition **will not** wait for dancers that are not ready to dance when their class competes.
- Consider yourself to be at the competition for the remainder of the session that your child competes. These are approx. times: we cannot determine the exact time your child will dance.

Awards: *On Stage adjudications will be done throughout the competition and are listed on the schedule. Dancers are encouraged to stay to receive their award on stage for all solo/duo/trios.*

Groups are also encouraged to stay, award will be announced, but awards for groups will not be handed out at the competition, but at their next dance class.

Good Luck to all our competitors!!
