This "keepsake" video is of the entire performance and is an overall view of the entire stage. There will not be any individual shots although some closeup shots will be taken during performance. Any problems or concerns about your video contact Protec Studios 306-684-3900 (Dave Boisclair)

SAVE THE DATE - USB Pickup will be on **Tuesday June 25th between 5:00 - 7:00 p.m.** from the dance studio. Please mark this date down and make arrangements to pick up your USB. Studio is CLOSED for summer months and orders cannot be picked up after that date until fall. Digital Downloads will be sent out to you.

VIDEOTAPING & CAMERAS (not allowed anytime during performance):

This is to advise you that **NO videotaping flash, digital or still pictures** are allowed during the actual evening performances. Flash pictures are very distracting to the performers and audience during the show. We do not want parents leaving their seats to move closer to video tape their dancer, this is distracting for the audience.
