

White Runners for Hip Hop Dancers:

- Hip Hop Dancers that will require “White Runners” with their costume, you will need to wait until the spring runners come out in stores.
- We want the runners to be “all white” without any other color if at all possible, or limit the color to very little.
- Runners should not be “high top”
- Runners should look similar to those posted here.

- Once the spring stock comes out you should be able to find “all white” runners.
- All hip hop dancers must have their “white runners” before the 1st competition.
- If concerned please check with your teacher.
