

# Schedule Changes (2024)

With Tap & Jazz exams soon to be completed we will need to make some adjustments to the schedule to create a timeslot for students participating in our Opening & Finale routines. Changes will be in effect for the remainder of the season. Only Classes listed have a schedule change, Classes not listed will not have a change in time.

All dancers participate in both the opening & finale routines, adjustments will be made if dancer does not tap. Please be sure to watch your schedule carefully so you know which day your dancer must attend each week.

**If your child IS NOT participating in Opening/Finale, your Parent Portal will show your NEW change in fees for March, April and May, please check before making your March payment**
