

Schedule Changes (2025)

With Tap & Jazz exams soon to be completed we will need to make some adjustments to the schedule to create a timeslot for students participating in our Opening & Finale routines. Changes will be in effect for the remainder of the season. Only Classes listed have a schedule change, Classes not listed will not have a change in time.

All dancers participate in both the opening & finale routines, adjustments will be made if dancer does not tap. Please be sure to watch your schedule carefully so you know which day your dancer must attend each week.

If your child IS NOT participating in Opening/Finale, your Parent Portal will show your NEW change in fees for March, April and May, please check before making your March payment

NEW SCHEDULE:

- **Exam Classes** – all existing Exam / Thursday classes will STOP (*effective February 12, 2025*) revised schedule in effect March 3rd, 2025
